

Three things we noticed about Skratch Kitchen

Bradley Beach, NJ

MENU PHILOSOPHY

1

Scratch cooking meets Jersey Shore breakfast culture

Everything made in house daily, from baked goods to preserves. The menu rotates with seasonal availability, not freezer inventory.

LOCAL CONTEXT

2

Bradley Beach gets a California style brunch destination

Bright, health conscious options stand out in a shore town known for heavy diner fare. Avocado toast and grain bowls coexist with Jersey breakfast staples.

OPERATIONAL MODEL

3

Counter service keeps prices reasonable for shore dining

Order at the register, grab your own water, bus your table. The tradeoff delivers quality ingredients without the full service markup.
