

Three things we noticed about Skratch Kitchen

Bradley Beach, nj

MENU FOCUS

1

Breakfast and brunch done with serious scratch technique

Everything from pancakes to hollandaise gets made in house daily. The kitchen preps fresh ingredients each morning instead of relying on premade mixes.

LOCATION PLAY

2

Beach town spot banking on summer season crowds

Bradley Beach pulls significant seasonal traffic from Memorial Day through Labor Day. Off season success depends on converting locals into regulars.

MARKET POSITION

3

Competing against casual shore breakfast joints and diners

The scratch cooking angle differentiates from typical boardwalk breakfast spots. Premium ingredients justify higher prices in a market used to diner rates.
